Marked: House of Night, Book 1 Book Review Zoey, a very regular high school student, is visited in the hall one day by a vampire tracker and marked with a crescent moon -- the sign that she needs to report to the fledgling teen vampire school, called House of Night. Marked (House of Night Series #1) - Read Any Book "Marked" is the first book in the series written by Kristin Cast. Get into the dark, magical and mystical world of The House of Night, a world that is very similar our own. Marked (book 1) by Kristin Cast - read free book online ... The House of Night series is set in a world very much like our own, except in 16-year-old Zoey Redbird's world, vampires have always existed. In this first book in the series, Zoey enters the House of Night, a school where, after having undergone the Change, she will train to become an adult vampire--that is, if she makes it through the Change.

Marked (House of Night Series #1) by P. C. Cast, Kristin ... Marked is an awkward jumble of Harry Potter and Twilight themes rolled in to one book - with a horrible end result. The Casts' informal tone and awkward use of inappropriate words and phrases (such as cock, poopy, boobies, to name a few) make the cast of characters seem immature and irrelevant. Marked (Sailor's Grave #1) by Drew Elyse Marked by Drew Elys is the first book in her new series Sailors Grave. And Wow! I wasn't expecting such an emotional story. Marked gave you all the feels with such a realistic story of one woman's struggle through loss and her journey of learning to love again.
